ROSEHILL GARDENS

Australia's most coveted race for fillies and mares the Group 1 \$1 million Coolmore Classic at Rosehill Gardens begins six Saturdays of the Sydney Autumn Racing Carnival and a special splash of pink celebration.

Chandon Ladies Day sees seven Group races including two final pathway races to next week's Group 1 \$5 million TAB Golden Slipper as Racing NSW and the Australian Turf Club bring horses, trainers and jockeys from around Australia and the world to Sydney.

The fifth annual Pink Fashion Lunch on Saturday hosted with new partner the Sydney Breast Cancer Foundation has attracted a record function of almost 700 guests in the Grand Pavilion. The 52nd running of the Group 1 Coolmore Classic increased to \$1 million in prizemoney this year sees 18 of Australia's best fillies and mares compete over handicap conditions.

COOLMORE CLASSIC

» \$1,000,000 G1 QUALITY
HANDICAP FILLIES & MARES (1500M)

There have been other Group 1s made for the Fillies and Mares around the country but the Coolmore Classic was the first and is the best.

It is the only one run under handicap conditions and it is always a superb betting race.

It has been dominated by three people – Max Lees with his five wins, Gai Waterhouse as part of five winners and Ron Quinton with his superb run as both jockey and trainer took out six of them.

Chris Waller had won most G1s in the country but not the Coolmore Classic until in 2023 when Espiona got the job done up the fence to finally get her biggest prize.
